Dat gaat ons toch niets aan! Begin maar liever schoon te maken!

Goed! Ik zal vast gaan aanvegen.

OEPS!

HAMM!

En ik droom... ik droom van wijde verten...

Kijk toch waar je loopt, Staartje!

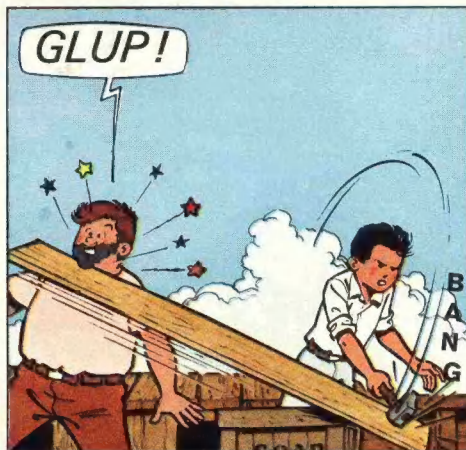

AUU!

O!

OEI!

Pok

GLUP!

BANG

En na dagen van zeer ingespannen arbeid om het eens te worden...

Wat is-t-ie mooi!

En zo netjes!

Zo gaaf!

En blinkend!

Naar de Carai-bische eilanden! Daar zitten zeerovers!

Nee, de Egeïsche Zee! Eilanden met een geweldig verleden!

Ik stem voor de Sandwich-eilanden!

Hoe vinden jullie dit?

... waar ze zouden heengaan, worden de bagage en de voorraden ingeladen...

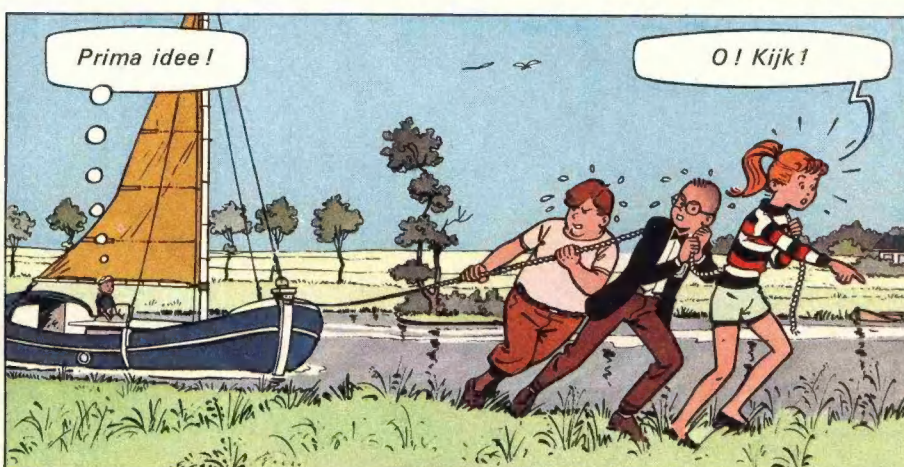

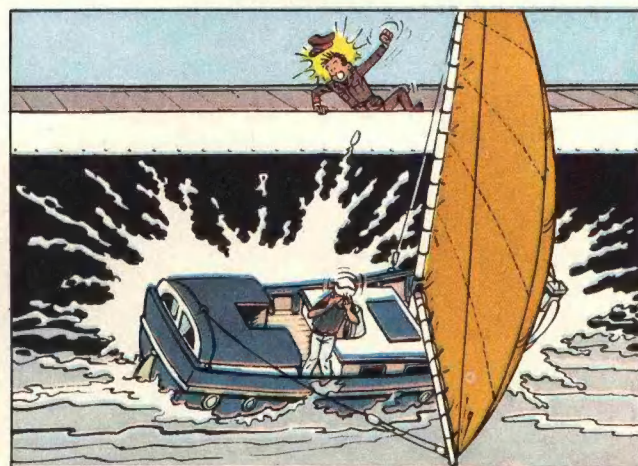

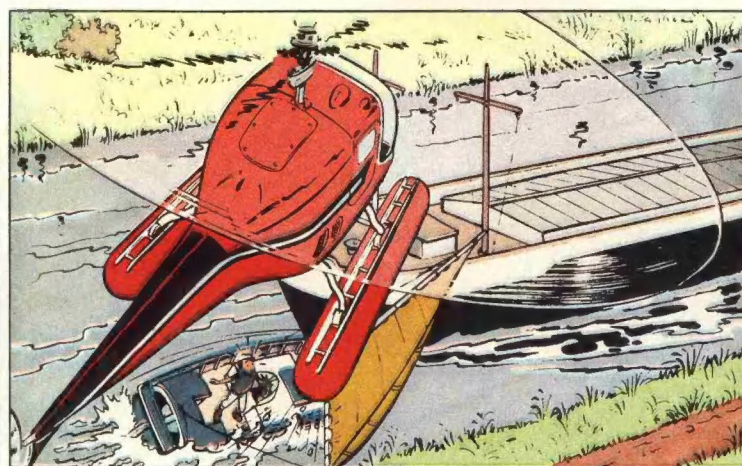

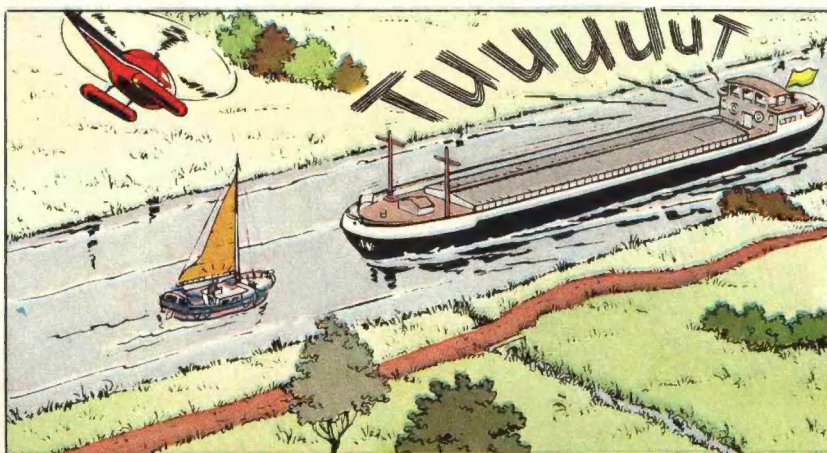

Kijk eens, Boutje. Ik heb een matrozenmuts voor je gekocht.

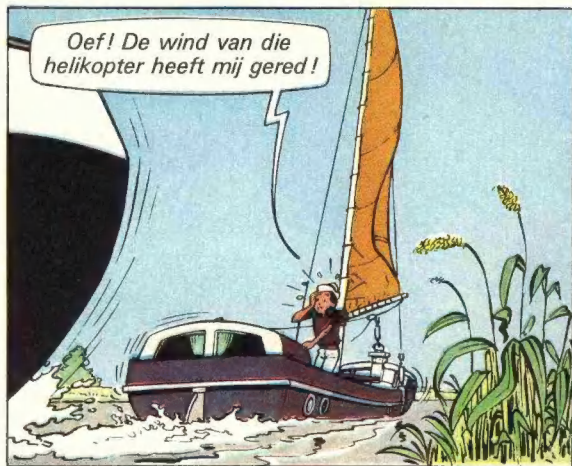

Waar is de boter gebleven, die hier op die stoel lag?

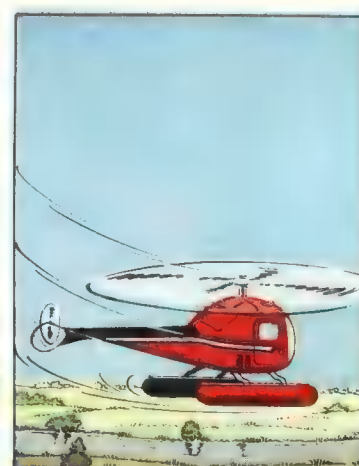

De zee... Bah!

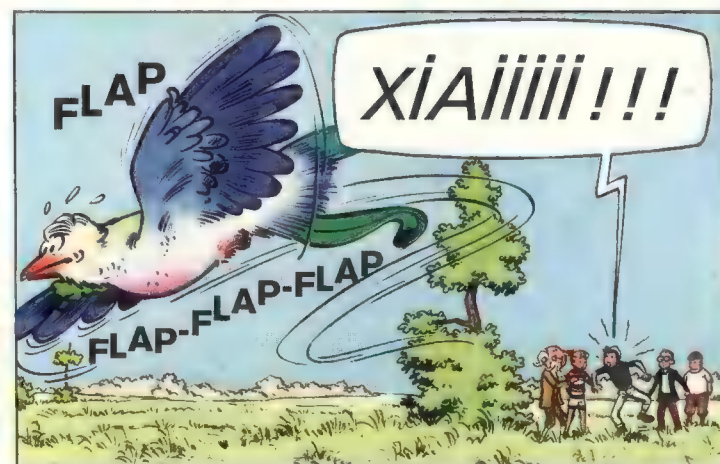

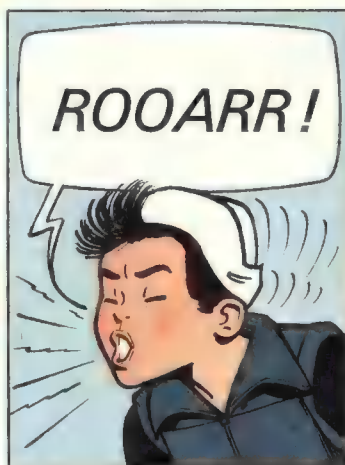

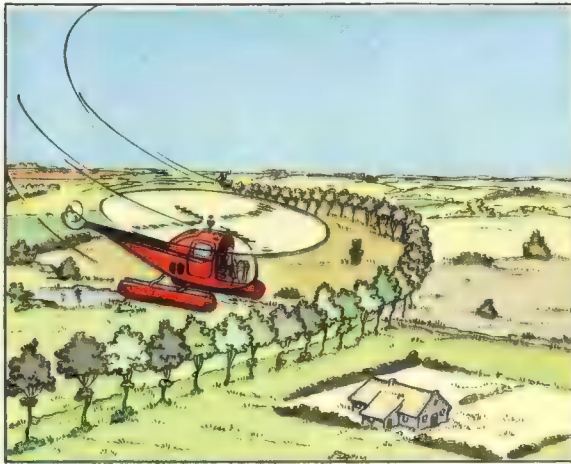

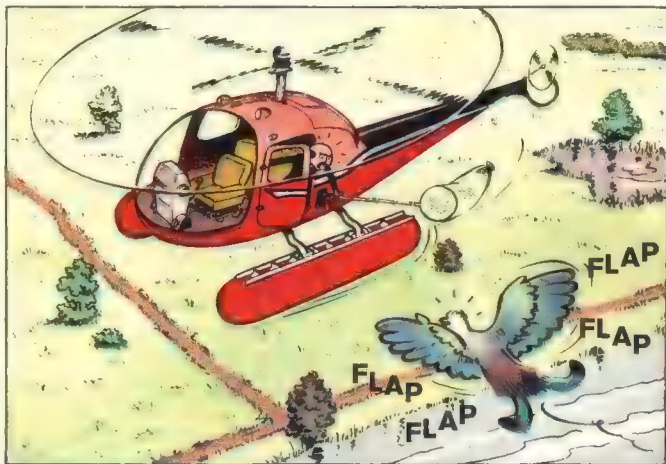

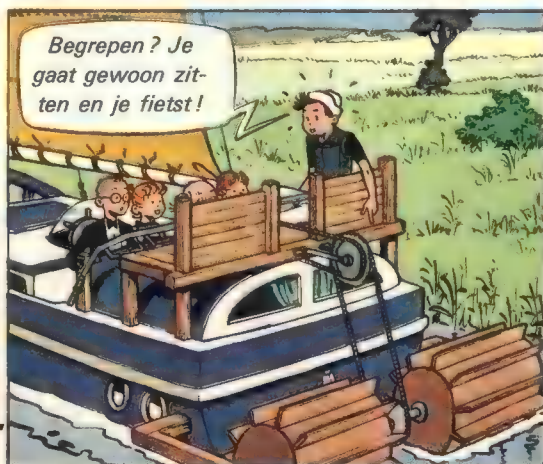

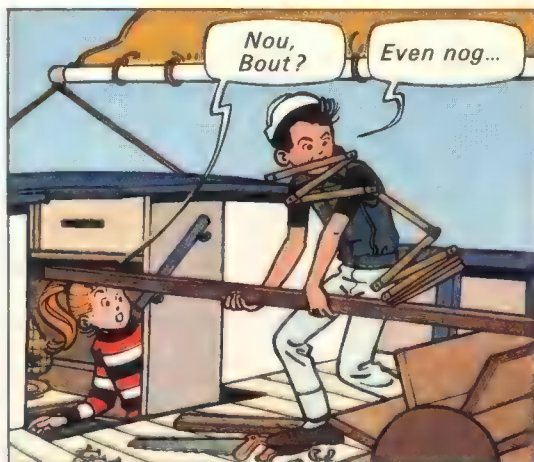

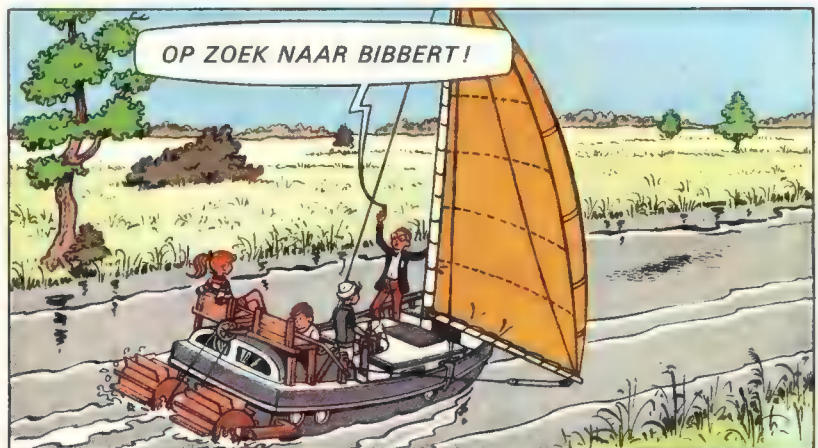

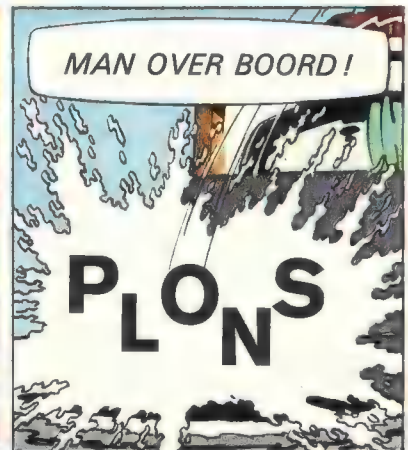

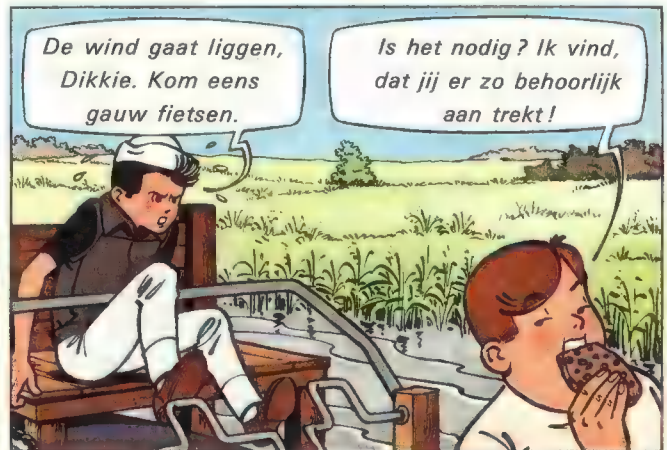

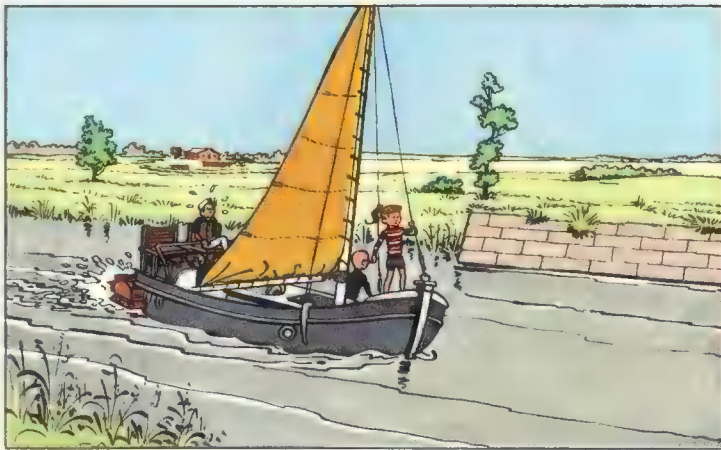

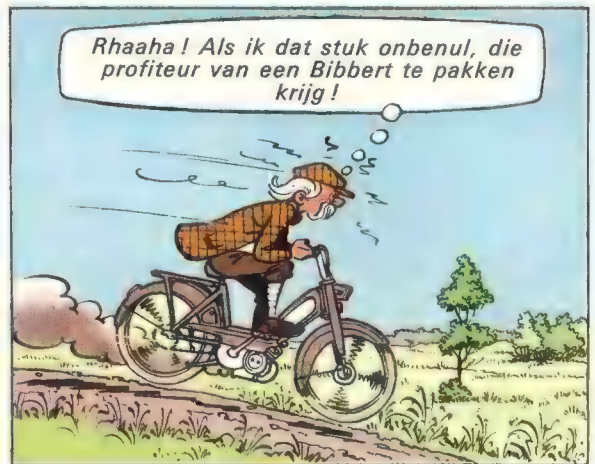

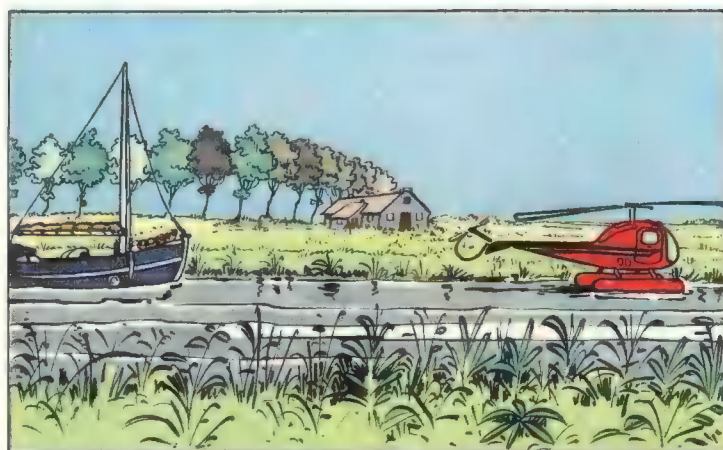

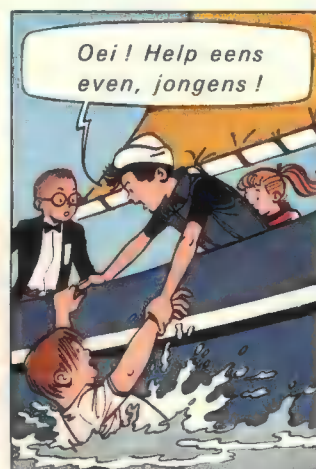

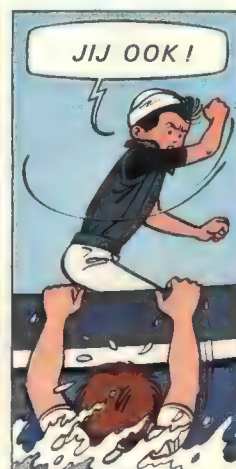

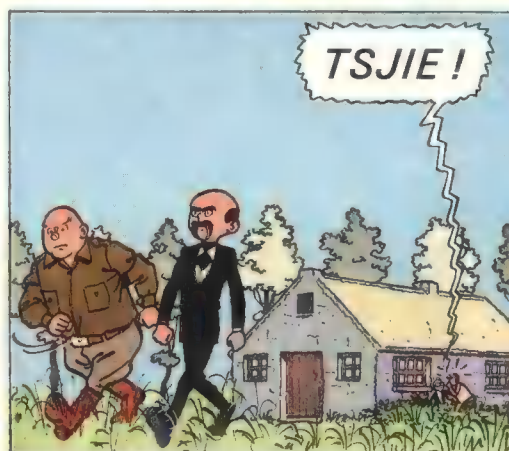

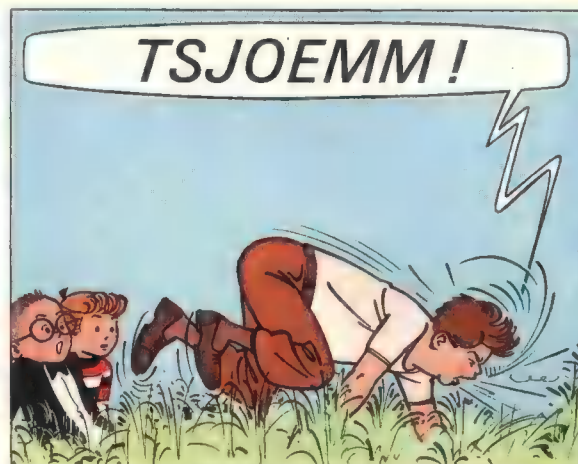

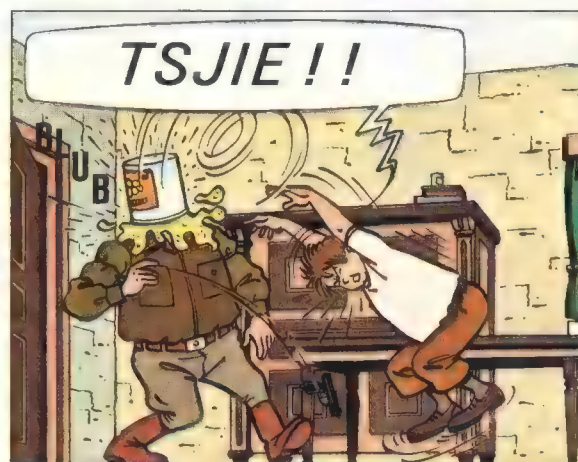

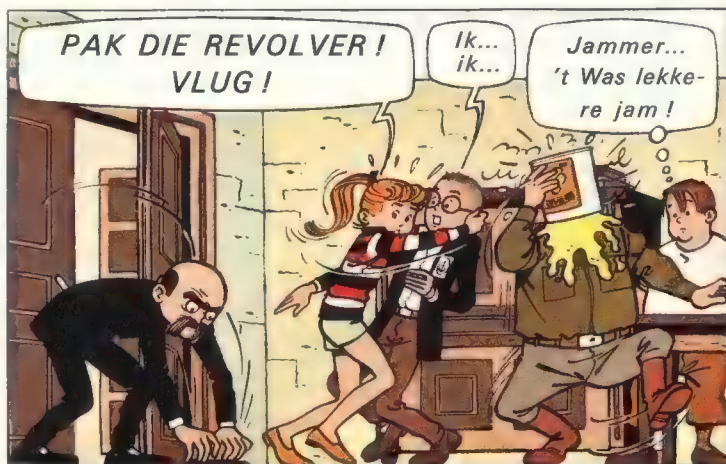

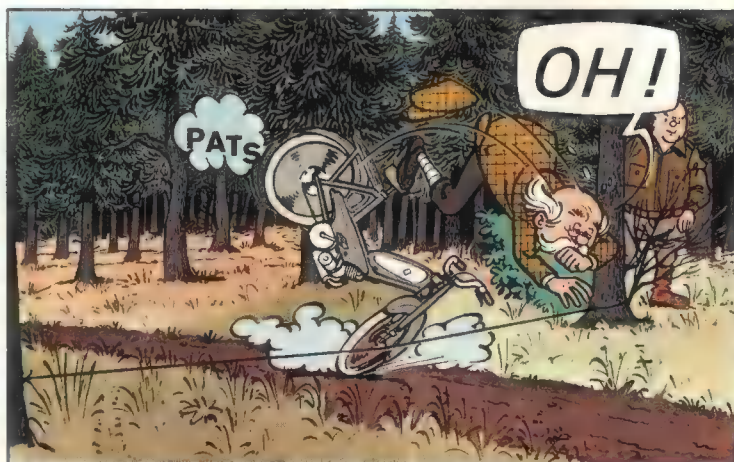

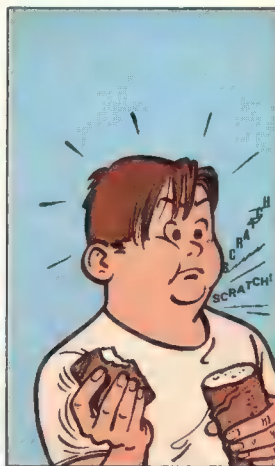

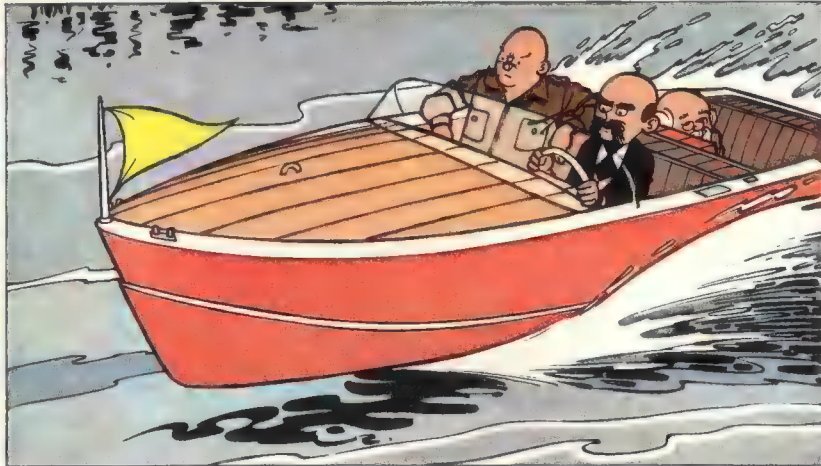

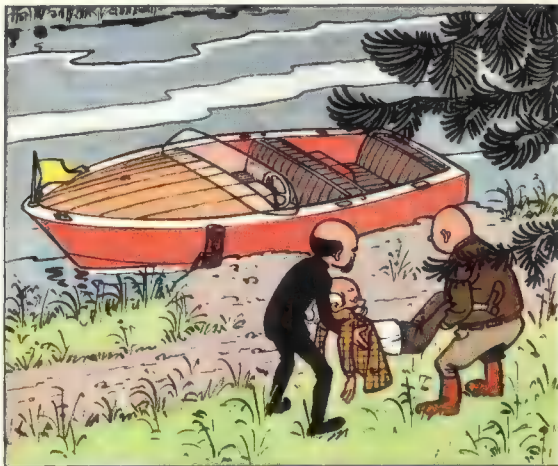

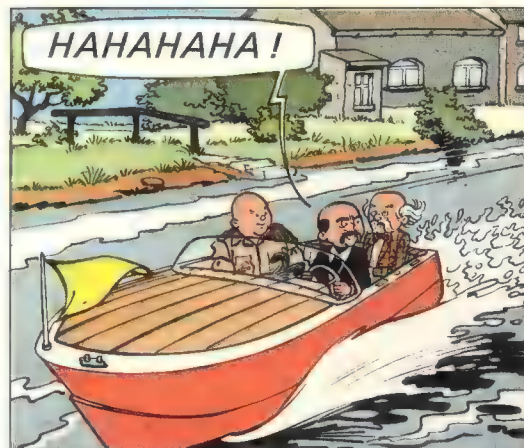

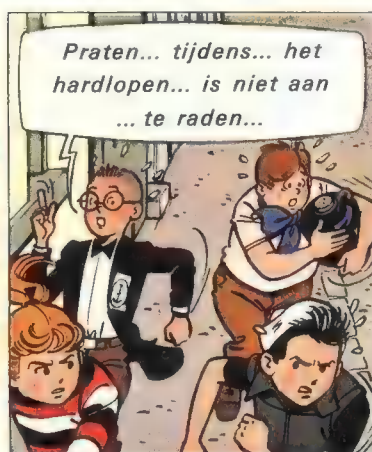

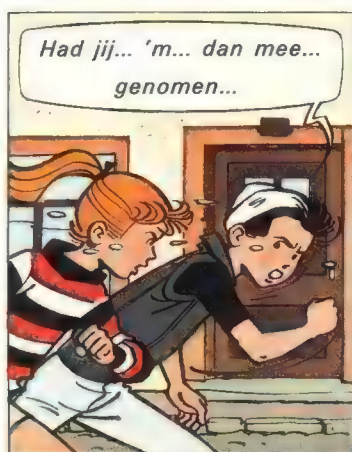

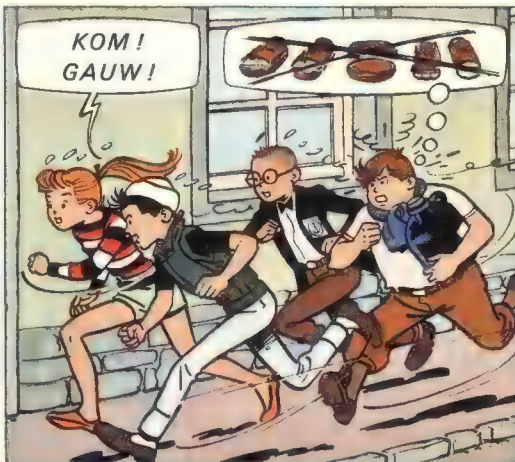

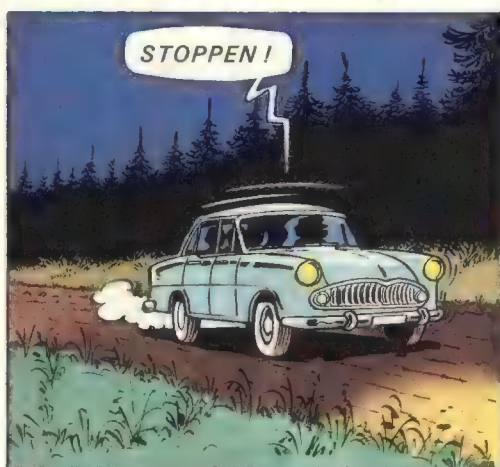

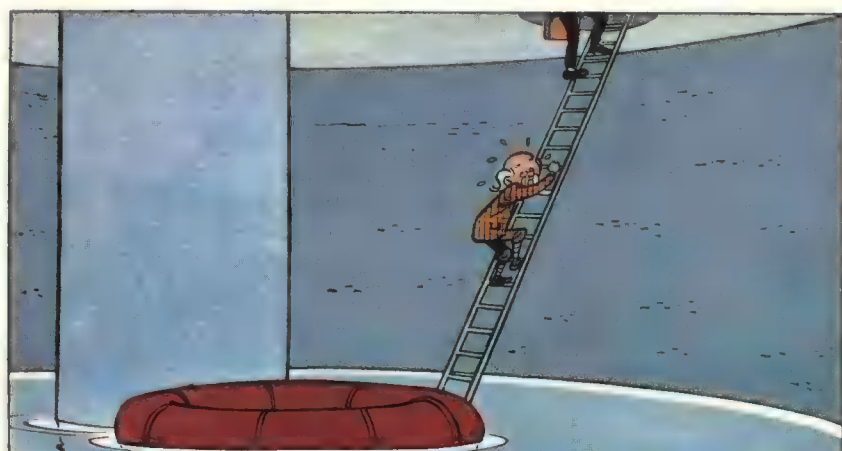

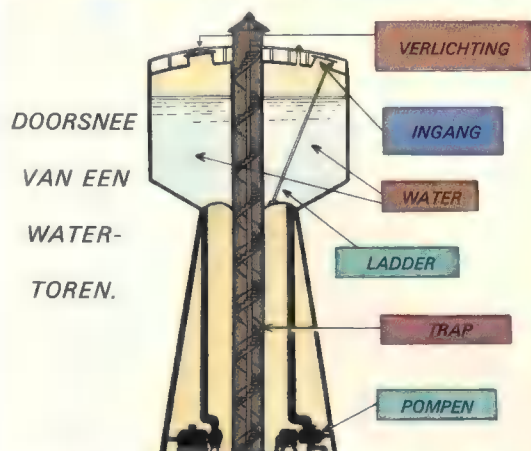

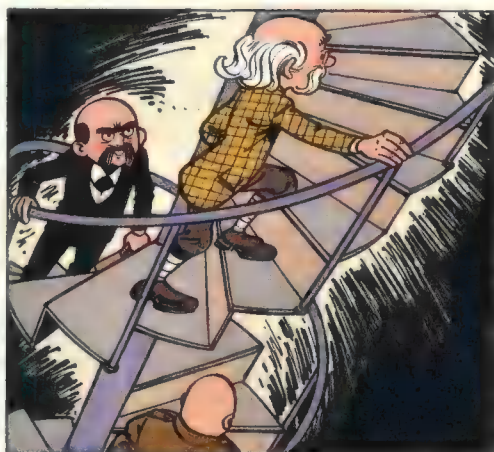

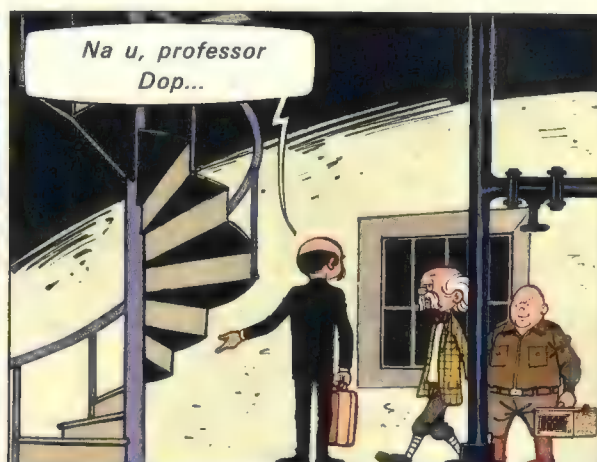

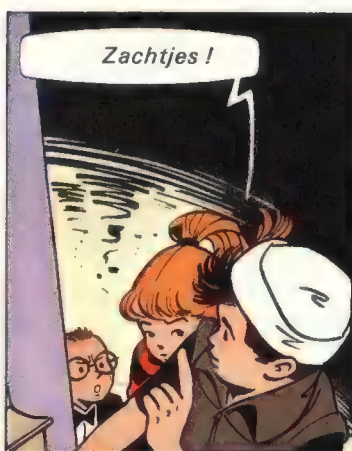

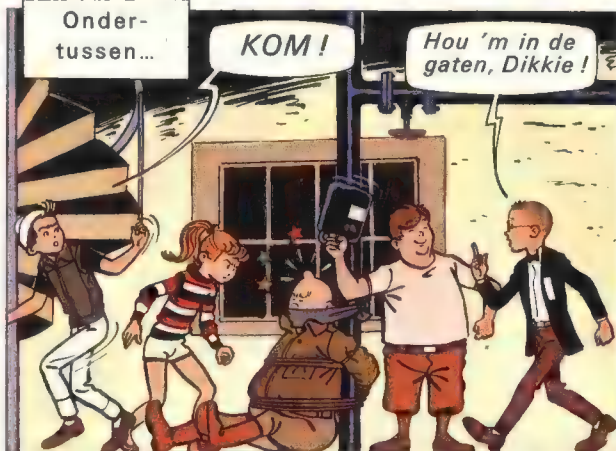

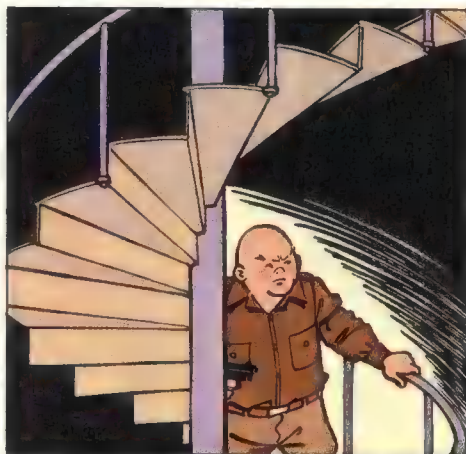

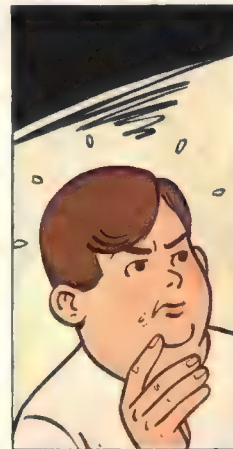

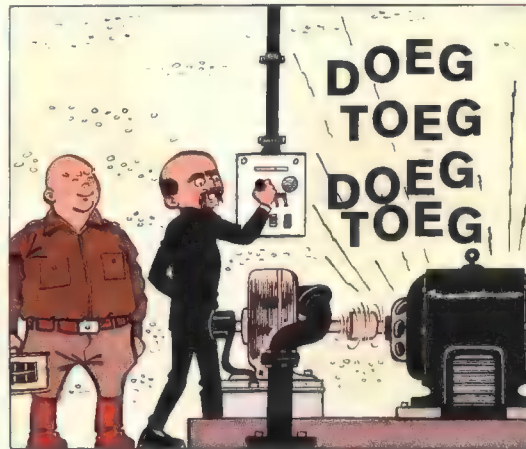

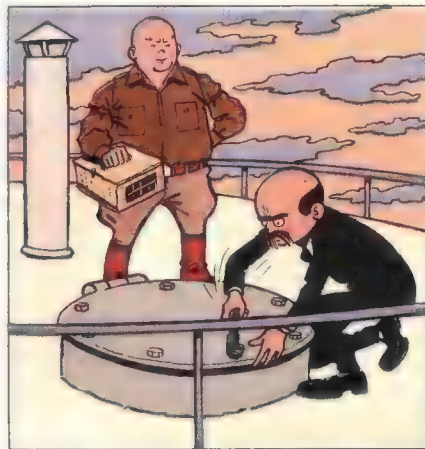

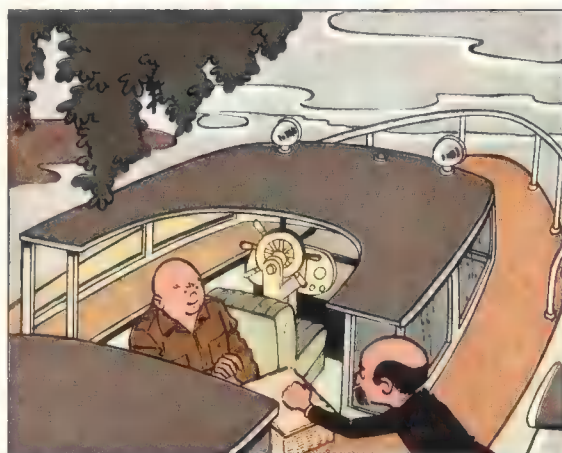

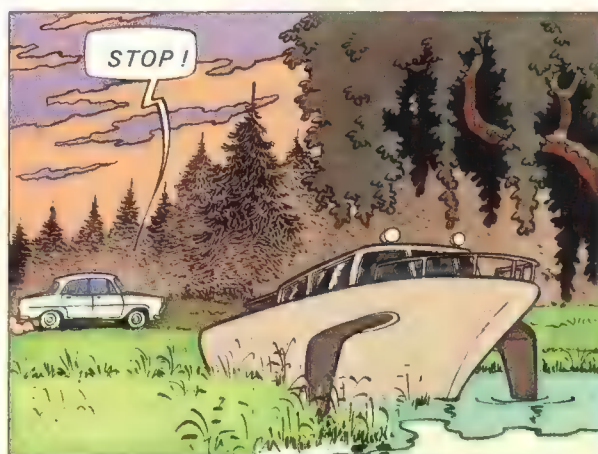

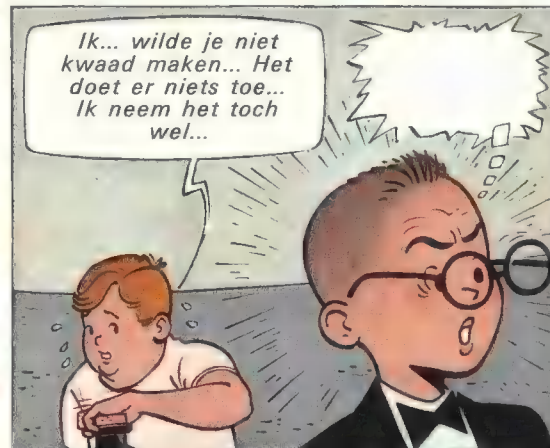

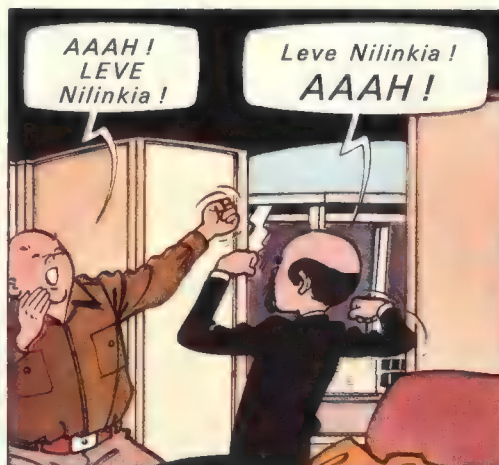

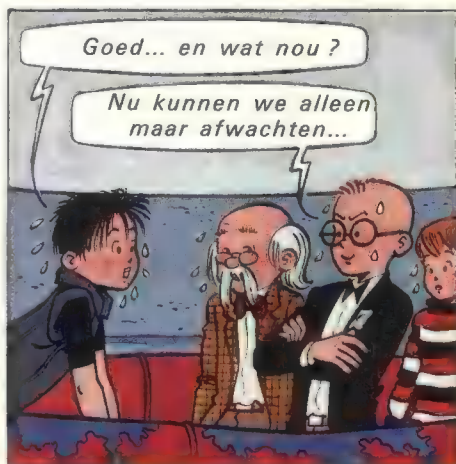

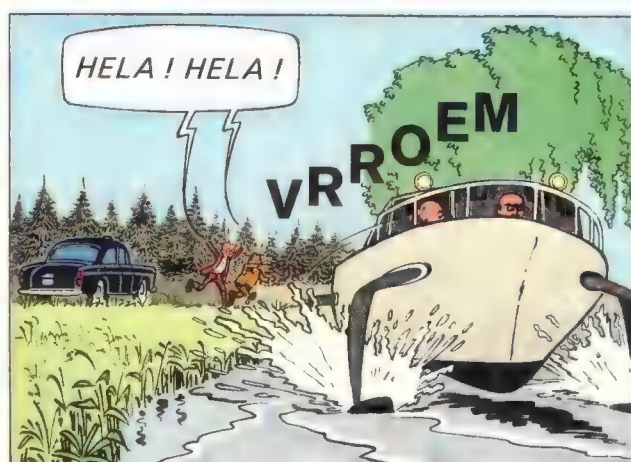

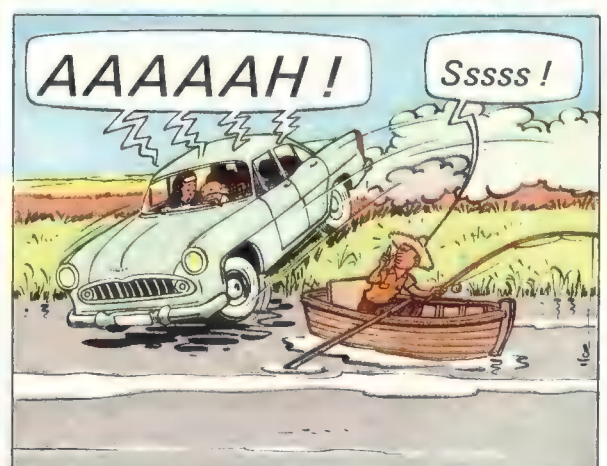

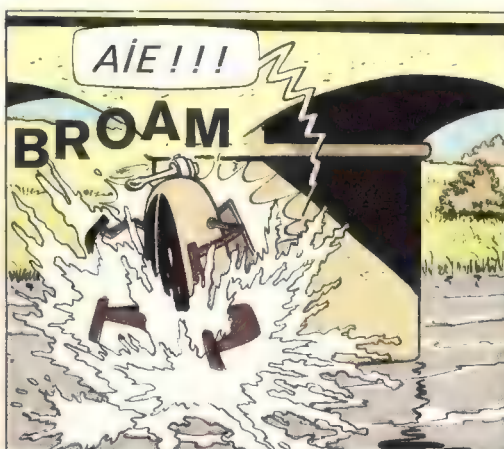

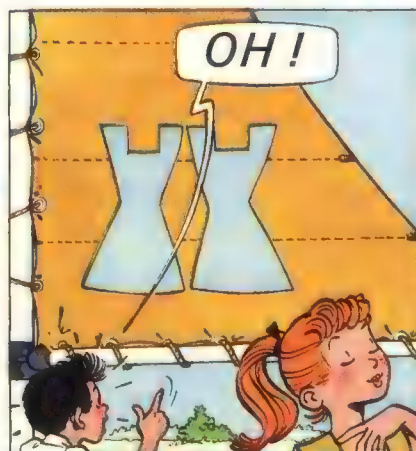

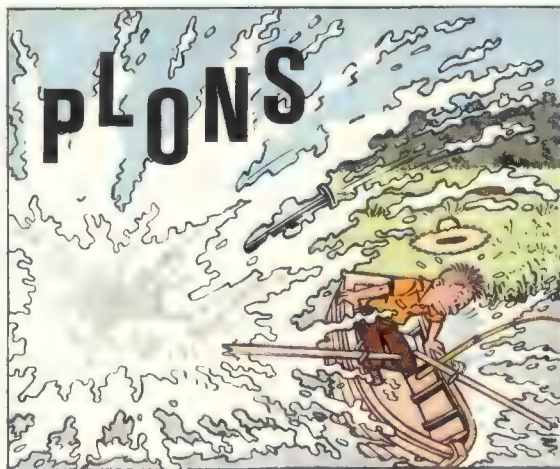

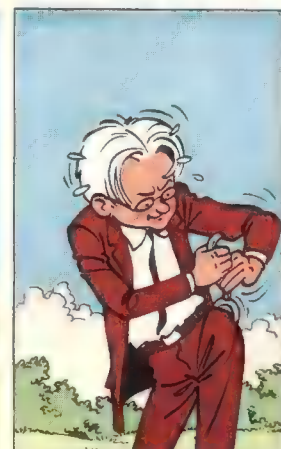

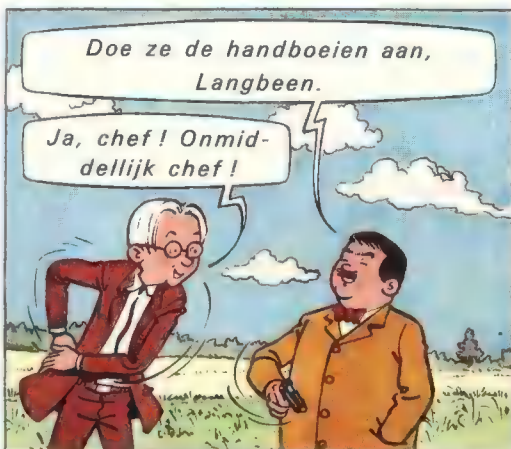

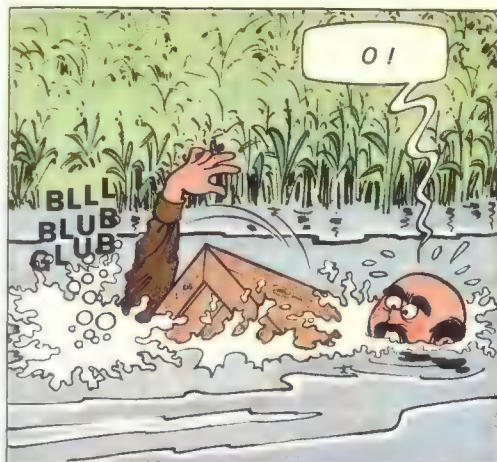

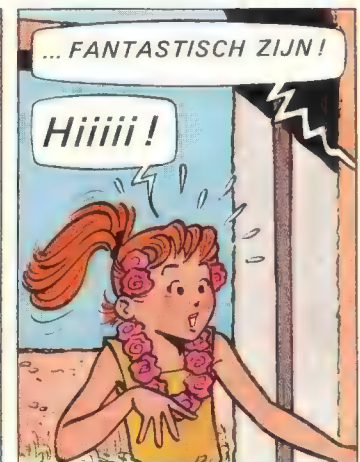

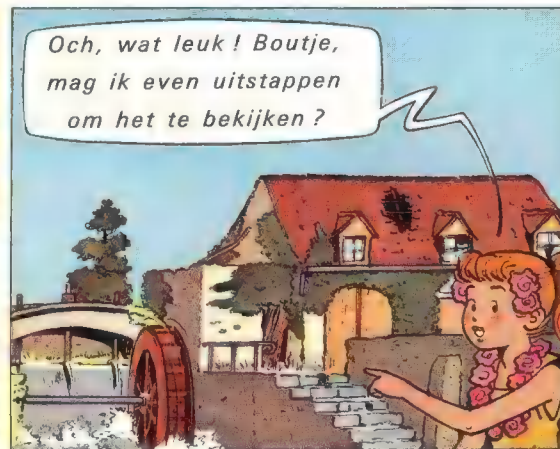

Toen er nog geen water bij was... ja !
